RE: Piedmont Natural Gas Company, Inc.
Notice of New Natural Gas Construction Project
Docket No. 2012-278-G

Dear Ms. Boyd:

Piedmont Natural Gas Company, Inc. ("Piedmont" or "Company") is required to notify the Public Service Commission of South Carolina ("Commission") "[o]f any construction projects resulting in a cost of \$500,000 or more." See 26 S.C. Code Ann. Reg. 103-412.2.7. In compliance with Commission regulation, this letter serves as notification to the Commission that Piedmont plans to install approximately 1 mile of 12" natural gas high pressure distribution pipeline in Greenville, SC to avoid SCDOT Project #0038111 I-85/I-385 design build interchange improvement. This project will result in a cost greater than \$500,000. The new pipeline (FP0751222) will allow for the existing 10" and 12" pipelines along Woodruff Rd. to be abandoned. This pipeline originates on the Northeast side of the intersection of Woodruff Rd. & I-385 and terminates 220' west of the intersection of Woodruff Oaks Lane & Old Woodruff Rd. in Greenville. Piedmont expects the installation of this pipeline to be completed by April of 2016.

By copy of this letter, Piedmont is also notifying ORS of this construction pursuant to S.C. Code Ann. Reg 103-412.2.7(A).

Please do not hesitate to contact us with any questions.

Sincerely,

Laura Hager
